In the above-mentioned article, the authors want to update the source of Figure 1 both in Figure legend and in the Reference section, which was missing the original article. The figure originally published in our own previous article [1] and it is now cited properly.

The authors regret this error and would like to apologize for any inconvenience caused.

Published figure

Figure 1. Photomicrograph of smear slide with Ziehl-Neelsen staining with pink bacilli of *Mycobacterium tuberculosis*. An arrow indicates a bacillus.

Rectified figure

Figure 1. Photomicrograph of smear slide with Ziehl-Neelsen staining with pink bacilli of *Mycobacterium tuberculosis*. An arrow indicates a bacillus [1].
